Dear Sir/Madam,

We are pleased to inform you that we are organizing Seven Day Online Faculty Development Programme (FDP) on 'Effective Teaching Strategies: Post COVID-19' from 17th June 2020 to 23rd June 2020. Eminent resource persons in the concern field have consented for academic deliberations. We cordially invite you to this faculty development programme.

Hungund Town:

Geographically Hungund is a Taluka place of Bagalkot district. It is a place of religious and historical significance. Once Hungund was known as mountain of gold (Honna – Gunda). Predominantly Hungund is inhabited by agriculturists. It is famous for its black cotton soil. Jowar, Cotton, Bengal Gram, Tuvar Gram and Moong Dal are main crops grown here. Holy place Kudalasangama where the rivers the Malaprapha and the Krishna meet is just 20 km away from this place. It is well known as 'Aikyasthala of Basaveshwar', who is great socio-religious reformer of 12th century. Now it has been developed into an International Center for study of Vachana Philosophy.

This well known historical, art and architecture centers like Aihole, Pattadakallu and Badami are within the radius of 40km. The Chalukyas of Badami, Chalukyas of Kalyan, Rastrakutas and Adilshais of Vijayapur ruled and built the several attractive temples.

Our V.M.V.V. Sangha:

Vijaya Mahantesh Vidya Vardhaka Sangha Hungund was founded in 1915 with the blessings of His Holiness Vijaya Mahanta Swamiji, Chittaragi Samsthanamatha. This is one of the pioneer and premier educational institutions in the northern region of Karnataka. This is fulfilling the educational and cultural hunger of the rural population right from the pre-primary to graduate level. Behind the inception of this educational institution, there is a selfless service of many philanthropists of Hungund especially 'Kayaka Yogi Matha Guruji'. Now our Sangha runs 19 institutions.

About our College:

V.M.V.V. Sangha's Vijaya Mahantesh Krupaposhit S. R. Vastrad Arts, Science and V. S. Bellihal Commerce College, Hungund came into existence in 1967. It was inaugurated by Padmabhushan Dr. D. C. Pavate the former Vice Chancellor of Karnataka University, Dharwad and also UGC member. The main vision of our college is to impart education to the rural aspirants and make them enlightened by seeking modern education coupled with spiritual values. Our college is experiencing a phenomenal growth in terms of strength, infrastructure and quality. The college campus is situated at the outskirts of the town on Chittawadagi road. It is spread on 21 acres of land. It has six independent building complexes of administrative block, lecture halls, laboratories, library, IQAC hall and canteen in lush green pollution free environment. The college is known for its excellent performance in academic and co-curricular activities. It has also experience of taking leadership of organizing regional, state, national symposia, seminars, workshops and sports activities from time to time. The college runs undergraduate programmes B.A., B.Sc. and B.Com. Our students have won many laurels in academic, sports, co-curricular and extracurricular activities. Our NCC Unit is awarded as the Best NCC Unit by Karnataka and Goa Battalion for the academic year 2019-20. All these activities helped to re-accredit our college with 'B+' grade at third cycle by NAAC.

About IQAC:

As per National Assessment and Accreditation Council (NAAC) guidelines, our college has established Internal Quality Assurance Cell (IQAC) in 2003 to enhance the quality education to the students. Since quality enhancement is a continuous process, the IQAC becomes a part of the institution system and works towards realization of the souls of quality enhancement and sustenance. Since its establishment, it has been organizing seminars, conferences and workshops regularly. Now it has resolved to organize A Seven Day Online Faculty Development Programme on 'Effective Teaching Strategies: Post – COVID -19 from 17th June 2020 to 23rd June 2020.

About the FDP

Faculty Development Programme has become a priority at many academic institutions as a way to improve the quality of academic programs and to respond to emerging faculty, student and industry needs. To achieve this, our country has been putting a lot of efforts to improve the quality and relevance of our higher education system. Government is framing policies to make it more relevant to the global needs and to remove the inequalities in access to education amongst various social groups.

Over the past few weeks, educators worldwide have been forced to shift from in-person classroom teaching to distance learning due to COVID-19 pandemic. Therefore, Internal Quality Assurance Cell (IQAC) of our institution has organized A Seven Day Online Faculty Development Programme on 'Effective Teaching Strategies – COVID 19. The programme aims at creating successful educators of online courses. In this long one week course, participants will learn how to implement effective teaching strategies through online. After the completion of the course, they feel empowered with online teaching skills. They will also be confident that the level of quality that they are offering their students is equal to what they would have received in a traditional classroom. The faculty development programme has a positive effect on student academic achievement in higher education can bring changes in attitude of faculty members towards their teaching methodology. It can also bring change in teaching behavior, organizational practice and students' learning.

Major themes focused for the online faculty development programme

- i) Classroom Management
- ii) Use of Technology in Teaching
- iii) Methods of Teaching
- iv) Teaching Skills
- v) Effective Communication Skills
- vi) Interactive Learning
- vii) Behaviour Management
