- + To establish a fully automated Library.

Policy:

The college implements e-governance in all aspects of functioning like library, accounts, admission, administration, teaching etc.

- + The policy is designed and framed to make each and every function transparent and accountable.

The college decides to make the following policies and procedure.

Website:

The website will act as an information center which will felect about the college, all the activities, importance notices, courses offered, etc. for this purpose a separate service provider web designer will be appointed by the college. Training will be given to the administrative and teaching staff to make important updates on the website. And IT committee to be formed for the administration of the college website. The Committee will look after the process of updating. Maintaining and working of the

Website on a regular basis. The Committee will also look for other changes that are required on the website. The college strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released.

Student Admission:

An open and transparent strategy for the admission process is followed which is further strengthened by the ethical practice and regulations as opined by the Rani Channmma University Belagavi and rules and regulations of government of India time to time. The college brings out its Brochure which is displayed on the website that has guidelines for the admission process. An ambition portal to be used to manage the admissions in the provided by the college. Number of students applying to each course, withdrawals, fee submission. all to be managed through this portal only.

Accounts:

The office continues to maintain its account on ERP Tally. Latest versions of the software to be purchased and used by the college. Advanced features of help the staff to maintain financial records effectively and efficiently. Profit and Loss, Balance sheet are generated through this software only. All the analysis reports are also generated through ERP Tally. Appropriate security measures should be taken for maintaining confidentiality of the transactions. Training to existing staff and updating of the existing software must be done regularly. Payments are generally made and received through online mode such as NEFT, RTGS, and Bank Transfers etc.

Library:

- ✚ The college continues to maintain its academic excellence through maintaining a well stocked library. It will add more and more e-learning resources for the benefit of the faculty and students.
- ✚ The Library to install fully automated ILMS software which should have and easy to use Graphical user interface, Unicode support with Multilingual Search and export facility for most reports.
- ✚ To use of online public access catalogue module of the software to allow library database searching by entering preferred terms for information retrieval which can be done via OPAC.

N-LIST : Digital Library

The screenshot shows a web browser window displaying the N-LIST Digital Library interface. The browser's address bar shows the URL: `nlist.inflibnet.ac.in/colleges/admin/vmessages.php`. The website header includes the N-LIST logo and navigation links: College Admin Login, Licences and Fair Use, FAQs, Downloads, Awareness Programme, HOME, ABOUT, MEMBERS, REGISTER, E-RESOURCES, and SEARCH. The main content area features the college name: V.M.S.R. VASTRAD ARTS, SCIENCE AND V.S. BELLIHAL COMMERCE COLLEGE, with sub-links for Home and Usage Statistics. A sidebar on the left contains menu items: Dashboard, Users Details, Upload Bulk Users, Activate Bulk Users, Member Delete list, Usage Statistics, and Invoice / Receipt. The Usage Statistics section displays a note: "Note: The N-LIST Programme has implemented a new method for reporting usage statistics with the change in N-LIST Access Methodology from July 2021. The new usage statistics now include page views and unique sessions for each user of the college based on the logs generated from N-LIST. Usage statistics of users are updated in the first week of every month." The browser's taskbar at the bottom shows the system clock as 10:17 AM on 03-02-2023.
